

D1 (ONE) AMAZING CUTTING COMPOUND

Product description

Super effective cutting-polishing compound. Thanks to its specific components, it removes scratches, dullness, medium-coarse sending marks such as P1500-2000 according to the hardness and the features of the treated paint. It might be used on both oxide and new well dried paints. Apply with a medium-hard orange foam pad. To maximize the performance make sure that the pad is well loaded with paste, spread with crossed movements speeding-up revolution while working (800-1500 RPM). Wipe the surface with a clean microfiber cloth.

HOW TO USE: Please apply a small quantity of compound on the polisher-pad. Let the polisher turn at low revolutions, speeding them up (800-1500 RPM) while spreading the paste with crossed movements. Pay attention at not overheating the paint. Do not overstay on the surface without adding more product. If necessary, please repeat the application more times till the complete removal of scratches. Eventually, wipe the surface with a clean cloth.

Physical properties

- Colour: White
- Physical form: Liquid-creamy
- Odour: Light and pleasant
- Explosion limit: None
- Flammability: Not flammable
- Stability: Tested after exposure to temperatures between - 15°C e + 45°C
